Application # 10/728,478
Filing Date: December 05, 2003
Applicant: Amy C. Roszak
Primary Examiner's Name: Manish S. Shah Art Unit 2853

Title: Composition for printing on vellum and the like

TO:
Commissioner for Patent
P.O. Box 1450
Alexandria, VA 22313

Date: March 15, 2006

Dear Sir or Madam,
I have attached the amendments and remarks in response to the non-final office actions. Please note that the claims in my patent application are significantly different from the patent claims cited in the initial action and I have explained why in the remarks.

Thank you very much.

Amy C Roszak 3/15/06
